Viviana Campanaro

CISSP, Security & GRC Solutions Specialist, Information Security & Technology at Jack Henry™

Viviana provides subject matter expertise and sales support for Jack Henry's Security and GRC (Governance, Risk, and Compliance) Services. She is responsible for bringing education on cybersecurity and regulatory compliance-oriented products and services to financial institutions throughout the nation. With 24 years of experience in information security and the financial services industry, Viviana has extensive knowledge of IT risk management and regulatory compliance. She has delivered information security awareness and training to audiences ranging from banking employees and technicians to management and boards of directors.

Viviana is a regular speaker at Jack Henry Connect. She has a Master of Science in Information Security from Capella University, is an avid reader of fiction, and enjoys cooking ethnic recipes.

S. Allen Eaves, Jr.

CISSP, CFE, CRISC, CISM, SSCP, Financial Crimes Solutions Specialist, Complementary Solutions at Jack Henry

Allen has been with Jack Henry since 2005. With 19+ years of experience in information security and fraud solutions within the financial services industry and having worked with hundreds of financial institutions across the U.S., he has extensive knowledge of technical, regulatory, and procedural challenges facing the industry today. Allen is a Certified Fraud Examiner (CFE), Certified in Risk and Information Systems Control (CRISC), Certified Information Security Manager (CISM), Certified Information Systems Security Professional (CISSP), and a Systems Security Certified Practitioner (SSCP).

Sebastian Fazzino

CISSP, CISM, CGEIT, Head of Sales, Complementary Solutions at Jack Henry

With extensive experience in the financial technology services industry, Sebastian serves as Head of Sales for Complementary Solutions at Jack Henry. He is an innovative executive with over 30 years of IT, security, audit, sales, and operations management experience. For the past 23 years, Sebastian has worked directly with financial institutions.

Sebastian holds a BS degree in Industrial Technology from Central Connecticut State University and is an active member of ISSA, ISACA, InfraGard, and the Association for Financial Technology (AFT).

Rene Perez

CAMS, Financial Crimes Consultant at Jack Henry

Rene Perez is a Financial Crimes Consultant with Jack Henry. He has been with the company since 2007 and has more than 20 years of experience in the financial crimes industry. In his current role, Rene is able to share his specialized knowledge directly with Jack Henry clients and the industry through speaking engagements. He is Jack Henry's subject matter expert on financial crimes and has spoken at many major conferences including ACAMS®, Jack Henry Connect, and SAS's Global Financial Crimes Conference. Prior to Jack Henry, Rene worked as a BSA and Fraud Officer at a top 50 Bank in the U.S. Rene was also one out of 21 people across the country chosen by the Federal Reserve Bank to start the first-ever Federal Reserve Bank Payments Improvement Fraud Work Group. Their first mission was to formally define and categorize fraud to a single definition that can be adopted across the U.S. He lives in Birmingham, AL, with his wife and four kids. When not in the office, Rene can be found at one of his kids' functions.

Nick Shirk

Sales Director, Information Security & Technology at Jack Henry

Nick Shirk, Sales Director for Information Security and Technology, joined Jack Henry in 2017 with more than 20 years of industry experience in IT and financial services. Prior to Jack Henry, Nick led technology and operations for multiple community banks and worked in consulting and software development. He holds a Master of Business Administration in Finance and Strategy from the University of Notre Dame, a Bachelor of Science in Industrial Management with a concentration in Management Information Systems (MIS), a minor in Finance from Purdue University, and a certificate of completion for the Graduate School of Banking (GSB) 25-month program at the University of Wisconsin – Madison. Nick is also a Kenneth R. Meyer Scholar in Global Investment Management, Lean Six Sigma Transactional Green Belt, and a Transactional Process Improvement/Kaizen Subject Matter Expert.

event speakers

Eric Gravett

CISSP, Information Security & GRC Specialist at Jack Henry

Eric has been in the information security industry for financial institutions over 25 years, achieving the CISSP certification in 2002. Beginning as a security engineer, he has held leadership roles in key industry organizations such as Perimeter eSecurity (now SilverSky) and Compushare/D+H (now Finastra). Prior to joining Jack Henry in July 2022, Eric cofounded StratoZen, a cybersecurity firm delivering SIEM and SOC services to managed service providers around the world. After exiting and transitioning StratoZen to ConnectWise, Eric came to Jack Henry following a brief attempt at retirement.

Seth Bennett

Sales Engineer, Financial Crimes at Jack Henry

Seth has been with Jack Henry since 2023 and has more than 18 years of IT, audit, financial services, professional services, and sales experience. In his current role, Seth focuses on helping financial institutions develop a better understanding of the solutions available to meet their fraud and BSA/AML needs. Prior to joining Jack Henry, he spent 12 years designing, building, and deploying GRC solutions for various Fortune 500 clients, as well as managing several boutique consultancies. He is also a veteran who served 16 years in the United States Air Force.
